

Torrington Walks!

A 1-DAY Design Workshop

Torrington City Hall Auditorium, 140 Main St

Thursday, January 22, 2015

The Purpose of this Workshop is to develop:

- ◇ Clear understanding of challenges and opportunities for pedestrians in Torrington; from the riverfront, to city sidewalks and the surrounding Woodlands
- ◇ A Brainstormed menu of ideas to consider for:
 - ◇ Physical improvements ;
 - ◇ Public policies; and
 - ◇ Programming and events
- ◇ A short list of recommendations to act on first and specific next steps to continue this process through implementation.
