Answers to questions presented at the Mandatory Walk-through on January 5, 2010

1) Does the room have to be emptied completely and if so, will the contents have to be placed back in the vault?

ANSWER: The room will need to be emptied of all contents and then the case files/jackets will need to be placed back in the vault on the storage cabinets/shelves. This should be a separate cost from the shelving.

2) Will a sliding stool or step ladder be required for the vault?

ANSWER: Yes, this will need to be supplied by the vendor. This should be a separate cost from the shelving.

3) Should there be dividers as part of the shelving unit?

ANSWER: The dividers shall be part of the shelving unit.

4) Could you supply the measurements for the dividing wall in the middle of the vault?

ANSWER: The dimensions of the dividing wall located in the middle of the vault are as follows: 67" length; 17" width.

5) Is this a prevailing wage job?

ANSWER: This is a prevailing wage rate job.
