**QUESTIONS/ANSWERS – August 20, 2015**

**Q-1)** I contacted Surefire so we can quote this and they state that they no longer make the model of light that is specified in the bid package. They gave me a light that is similar and needs a tape switch to be comparable. Will this substitution be acceptable?

**A-1)** The substitution will be acceptable - M600U-A, Ultra Scout Light, rail mounted with pressure switch.

**Q-2)** It states that this bid is open only to licensed firearms dealers. I am not a firearms dealer and I would not be bidding on the rifle part of this. I would like to bid on the Surefire lights and Aimpoint sights, can I do that?

**A-2)** Yes. The submitted proposals will be reviewed by the city. Only licensed firearms dealers are allowed to bid on the Carbines.
